Planning																				1							_	
Planning: Develop Milestones	All	100%	19/4/21	22/4/21																İ	ĺ							
Planning: Project Plan	Quentin	95%	22/2/21	29/4/21																								
Planning: Fix and addapt plan	Quentin	10%	4/2/21	18/6/21																								
Research																												
Research: State of the art (papers as project referal)	All		19/4/21	29/4/21																								
Research: Space and Orbital knowledge	Tim		19/4/21	6/5/21																								
Research: Previously planned missions to Titan	lve		22/4/21	6/5/21																								
Research: Conditions for 'life'	Peter		22/4/21	6/5/21																								
Research: Scanner types and how they can be used	Quentin		22/4/21	6/5/21																								
Research: Potential Software/material needed to realise deliverable	Johan		22/4/21	6/5/21																								
Research: How can data samples be collected	Peter		22/4/21	6/5/21																								
Research: Programming method for deliverable	Quentin		29/4/21	6/5/21																								
Research: Communication methods (for technical deliverable)	Ive		6/5/21	13/5/21																								
Deliverables:																												
Deliverables: Type of deliverable (T = Technical ; (P) = Program)	All		22/4/21	29/4/21																								
Deliverables: Datasets	Tim		13/5/21	20/5/21																								
Deliverables: Communication system	Ive		13/5/21	27/5/21																								
Deliverables (T): Working camera mount	Peter		13/5/21	27/5/21																								
Deliverables (T): Potential virtual testing environment	Peter		13/5/21	27/5/21																								
Deliverables (T): Multi-varied terrain mobility	Johan		13/5/21	27/5/21																								
Deliverables (T): Potential testing methods	Tim		13/5/21	27/5/21																ĺ.								
Deliverables (P): Software decision (what will be used to create program)	All		13/5/21	27/5/21																ĺ.								
Deliverables (P): Mapping system	Quentin		13/5/21	27/5/21																ĺ.								
Deliverables (P): create a suitible 'memory'	Johan		13/5/21	27/5/21																1								
Deliverables (P): Development in goal based decision making	Ive		13/5/21	27/5/21																İ	Ì							
Deliverables (P): Development in self learning system	Quentin		13/5/21	27/5/21																İ	Ì
